MEMORANDUM FOR: [REDACTED]

SUBJECT: OPC Procedure for Handling their Personnel
in Training

1. BISC has only the following two suggestions to offer for improving the established OPC procedure for handling their students:

a. Appoint branch TLOs on a more permanent basis. A mature branch member who is familiar with TRD programs and who has the advantage of maintaining contact with a student during his entire period of training can most effectively fulfill the position of TLO.

b. Provide students with full briefing for necessary cover.
